"DESIGN. STAND OUT. MAKE AN IMPACT."

360° OF STYLE, IDENTITY AND FUNCTIONALITY

Are you looking for an effective tool to strengthen your event's visual identity?
The new 360° decorated conical cups combine functionality with communication!
Fully customizable, they turn every drink into a branding opportunity.
More than just a way to serve beverages, they are **powerful communication tools** that boost audience engagement and help reduce waste through retention or reuse.
It's not just about serving a drink, it's about transforming a simple gesture into a memorable experience. And a cup like this?
People don't forget it... and often,
they don't return it either.

IDEAL TARGET

Music festival
Local fairs and pop-up beer gardens
Private and corporate events
Beach clubs and holiday resorts
Outdoor catering and dining services

WHY OFFER THEM?

100% Customizable
High-quality 360° printing turns every drink into a memorable brand experience.

Safe and Reusable
Made from BPA-free polypropylene, they are durable, compliant with regulations, and entirely shatterproof. No glass, no risk.

Ideal for deposit-return systems: Designed for events with a deposit and return scheme, they help reduce waste and increase perceived value.

Collectible items: Their full-wrap design makes them desirable gadgets: the more appealing they are, the less likely they are to be returned and the higher your margin.
